

2022 AML Awards of Excellence

The purpose of the Alaska Municipal League Awards of Excellence is to acknowledge individuals who have demonstrated ongoing dedication to their cities or boroughs and have gone above-and-beyond to make their communities great places to live, work and/or play during 2022. Now more than ever, we want to recognize these municipal leaders who positively impact our communities.

Award Categories

- **Municipal Official of the Year** – this award is designed to recognize an elected or appointed municipal official who has demonstrated an exceptional level of professionalism, leadership, and innovation in their position.
- **Municipal Employee of the Year** – this award is designed to recognize a municipal employee who has demonstrated an exceptional level of professionalism, leadership, and innovation in their position. Nominees must be a current (or recently retired) municipal employee.
- **Emerging Municipal Leader** – this award recognizes an emerging municipal leader, their early career contributions to local government and their potential for future success in local government.
- **Vic Fischer Local Government Leadership** – established in 2000 by the AML Board of Directors, this award is in honor of Vic Fischer, secretary to the Committee on Local Government of the Constitutional Convention.
