

2023 Annual Conference Call for Sponsors and Exhibitors

AML is excited to announce our Annual Local Government Conference, December 4-8, 2023, at the Dena'ina Center in Anchorage. Our annual conference is the premier meeting for municipal officials. More than 1,000 municipal officials will attend over the course of the week.

In conjunction with the AML Annual Conference, AML Affiliate Groups will hold their annual meetings during this week, including Alaska Conference of Mayors, Alaska Municipal Management Association, Alaska Association of Municipal Clerks, Alaska Government Finance Officers Association and the Alaska Municipal Attorneys Association.

Who attends the AML Annual Local Government Conference?

- Mayors
- Municipal Managers and Administrators
- Municipal Clerks
- Municipal Finance Officers
- City Council Members
- Assembly Members
- State Officials
- Business leaders

We hope you'll consider sponsoring or exhibiting at this year's event. By sponsoring the Annual Conference, you are making an active choice to support Alaska's local governments – the government closest to Alaskans. Your sponsorship ensures that your company or organization will be highlighted over the course of the week and beyond, while simultaneously providing you with targeted and unique business development opportunities.

What makes AML different?

- AML is at the forefront of planning and technical assistance for federal infrastructure investment;
- AML advocates for local governments at the State and Federal level;
- AML's 165 member cities and boroughs collectively represent \$2.9 billion in revenue and purchasing power;
- Extended visibility to over 1,000 elected officials and municipal leaders.

Why does that uniqueness matter to you?

- No other organization hosts an event that brings together this many municipal decision-makers from every corner of the state to one place, at one time;
- AML has direct connections to Alaska's local governments, and is at the intersection of state and local development activities;
- This is an essential, targeted business development opportunity.

While our members represent diverse communities with varying needs and issues, we know that Alaska is stronger when we work together. We invite you to partner with us as we work to strengthen Alaska's local governments through enhanced training, strategy and advocacy.

Thank you in advance for your time and consideration, and we look forward to working with you and your organization to determine the right sponsorship level for you.
