- Area Overview
- Engagement

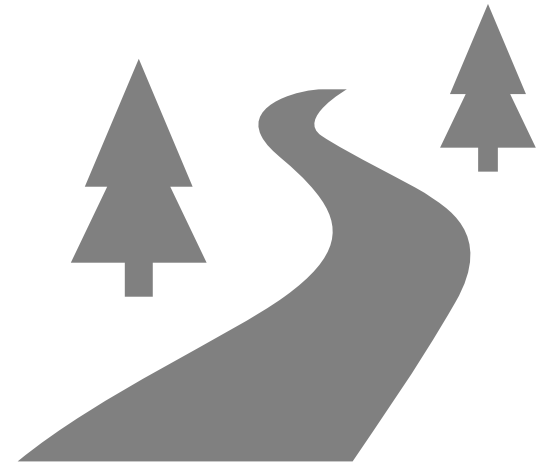

# Current Conditions

- Area setting
- Transportation Modes

# Current Conditions

- Area setting
- Transportation Modes

# Bridging the Gaps

- Issues
- Needs

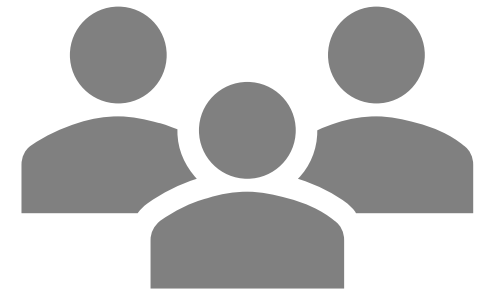

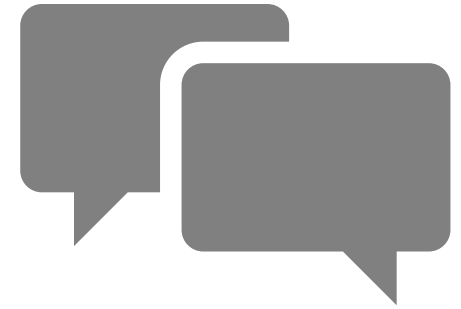

# Action Plan

- Funding
- Implementation Steps

# Through the Whole Process....

- Involve
- Involve
- Involve!

# Lessons Learned from Lots of Plans

- Planning processes are broadly similar, but every plan is different
- Be OK with the structure of the plan shifting through the process
- Meeting community needs and building consensus is key
- Make sure you meet any regulatory requirements
- Document decisions
